Winter 2006 Issue

President (Elect)'s Corner

The 2007 Annual HPS meeting fast approaching (526 days and counting). We have appointed Janet Franco and Jennifer Johnson as the Co-Chairs for the Local Arrangement Committee (LAC). They will be working on plans to prepare for the Portland meeting. People wishing to be on the LAC should contact Janet or Jennifer by the middle of March. Even if you are not on the LAC, there will be plenty of need for people to help with the meeting.

In National news, Kevin L. Nelson, CHP from the Mayo Clinic in Jackson Florida was elected as the new President Elect of the National HPS. He will be the HPS President during the 2007 Portland Meeting. The current President Elect, Brian Dodd will be visiting our chapter in Early May, with the meeting planned in Corvallis.

The 51st Annual Meeting will be held June 25-29, 2006 in Providence, Rhode Island. The 2006 Summer School will be focused on Medical Health Physics and held during June 18 - June 23, 2006 also in Providence.

Here are some ideas for logos that we have received so far. If you have your own ideas, please submit them to the Secretary by the annual Dale Trout Meeting in early May.
