

DELAWARE VALLEY SOCIETY FOR RADIATION SAFETY
Chapter of the Health Physics Society

DVSRS Master Class Series:
Radiation Detection & Measurement
An Overview

Presented by
John Keklak M.S. Hyg., CHP

Wednesday, March 15th, 2023

6:00 pm – 8:00 pm

Location: Fox Chase Cancer Center – Reimann Auditorium (4th Fl)
Virtual option will be available.

This presentation will cover a broad overview of the various types of detection equipment, their practical applications, accuracies of measurement, efficiencies and calibration requirements.

Refreshments will be provided.

John earned his Master's degree in Radiological Health from the University in Pittsburgh in 1977 and he has been certified by the ABHP since 1983. John had spent most of his career affiliated with Thomas Jefferson University and Thomas Jefferson University Hospitals, where he served as RSO for 33 years. He was also a Clinical Instructor with Thomas Jefferson University, having taught undergraduate courses in radiation protection and radiobiology. He is a longstanding member of the Pennsylvania Radiation Protection Advisory Committee and served as both its Vice-Chair and Chair for many years. He has also served the DVSRS in a number of capacities including three terms as its president. In 2020, he was awarded the DVSRS "Meritorious Achievement Award". In 2022, he was selected as a Fellow of the national Health Physics Society. He remains active in health physics as a consultant.

Cost: \$50.00 for Members
\$60.00 for Non-Members (includes DVSRS Chapter membership fee)
\$25.00 for Students

Payment Options:

- PayPal - Go to the DVSRS Chapter Webpage: hpschapters.org/dvsrs/
Enter name(s) and click **Buy Now** where it says **Meeting Registration**.
- Pay in advance with personal check made out to "DVSRS". Send to: Brendan Dunleavy
