

MIDWEST CHAPTER HEALTH PHYSICS SOCIETY

MEMBERSHIP APPLICATION

QUALIFICATION FOR MEMBERSHIP

Every Member or Associate member of the Health Physics Society living in Illinois, Indiana, Iowa, Minnesota, Missouri, or Wisconsin is automatically qualified. The Board of Directors may elect to the membership others in accordance with the following principles:

FULL MEMBERS, in addition to those qualified on the basis stated above, are those who have been engaged in some form of Health Physics activities for at least one year and graduated from an accredited school of college grade or have recognized scientific, technological or professional qualifications, or have had equivalent training. One year of experience in Health Physics may be recognized as equivalent to a year of college work. The prospective member need not be completely versed in all phases of Health Physics, but must be contributing to the general field of Health Physics at the time he or she applies for membership in the Chapter. Graduate study in science may be accepted in place of part or all of the required period of Health Physics activity. Graduate students may check the Student box below, dues are waived while enrolled as a university student.

ASSOCIATE MEMBERS are persons who lack the necessary qualifications for elections as Members but (a) are engaged in a field or endeavor related to Health Physics or (b) whose interest in science would make them desirable Associate Members. They may not hold elective office, but may vote.

EMERITUS MEMBERS are persons who have been Members of this Chapter for at least ten years, are at least 60 years of age, and who are no longer employed in health physics due to either retirement or disability. Membership in the Health Physics Society or another chapter of the Health Physics Society may be accepted for part of the required membership period of this Chapter, at the discretion of the Board of Directors. Emeritus Members have full membership privileges, including voting and holding office.
