We look forward to seeing you there!

### **Nominating Committee:**

We are looking for volunteers to serve on the nominating committee, who will help recruit the next round of candidates to serve on the Board of Directors. We strongly encourage managers and those with large networks in the Health Physics community to serve on the nominating committee. Being a part of the nominating committee is a great way to serve the Chapter without serving as an officer for a two-year term. If you are interested, please email [ncchps@gmail.com](mailto:ncchps@gmail.com). Early interest for Board Positions are

always welcomed.
