NCCHPS Virtual Meeting January 16th

Happy New Year NCCHPS Members and Friends!

Please join us at our next virtual meeting on **January 16th!** Our guest speaker for this meeting is **Lydia Tai**.

Lydia Tai has been a health physicist for the National Atmospheric Release Advisory Center (NARAC) in Livermore, California since 2019. As part of the multidisciplinary operations team at NARAC, she supports emergency planning and response activities and manages NARAC's international collaborations. Lydia has over 18 years of experience in the Department of Energy complex in both federal and contractor organizations. Her past roles include managing the internal and external dosimetry programs for the Lawrence Livermore National Laboratory and supporting federal oversight of safety programs for the Nevada Field Office.

Lydia has a Bachelor of Science in Nuclear Engineering from the University of California, Berkeley, and a Master of Science in Radiation Health Physics from Oregon State University, Corvallis. She has been a Certified Health Physicist since 2016.
