

# The New Jersey Chapter of the Health Physics Society Presents:

## **Kendall Berry, MSPH, CMLSO**

National Health Physics Society Board of Directors  
Radiation Safety Officer, Fox Chase Cancer Center  
Philadelphia, PA

### **Topics**

**HPS Update  
and**

**Three Years of Radiation Safety Experience with  
Lutathera Lutetium-177**

Lutathera is the “next big thing” in radiopharmaceutical therapy. Many of our metro area hospitals are using it or in the planning stage. Kendall will share her expertise with this new agent, and will give us an update on what’s going on with National.

**Wednesday October 30, 2019**

4-5 PM Executive Council Meeting  
5-6 PM Registration & Social Hour  
6 -8 PM Dinner & Presentation

**Rutgers University - REHS
