

# 2016 Meeting of Mid-Atlantic States Radiation Control Programs

HAMILTON, NEW JERSEY ~ SEPTEMBER 20 AND 21, 2016

You are invited to attend the 2016 **Mid-Atlantic States Radiation Control Program** meeting to be held September 20 and 21, 2016 at the New Jersey Forensic Science Technology Center in Hamilton, New Jersey.

The annual meeting is two days of information exchange and training between state radiation control programs, federal agencies and regional professional organizations to promote cooperative interaction with particular emphasis on regional radiation-related issues and events. Topics for the meeting include radioactive materials, radiation-producing machines, radon, new radiation therapy technologies, nuclear power, emergency preparedness and planning, and homeland security. A detailed agenda and directions to the training center will be forthcoming in early August.

There will be no fee to attend the two day meeting. Attendees will be responsible for their own costs for food and lodging (Numerous eating establishments are within five minutes of the meeting location). Beverages, bagels and doughnuts will be provided each morning at the training center. For attendees that would like to stay overnight to attend the conference, there are two hotels conveniently located to the training center. No room blocks have been reserved and each guest is responsible for their own reservations and arrangements.
