

The New Jersey Chapter
of the Health Physics Society Presents:

Stephen Elwood
Health & Safety Program Manager, Princeton University

David Culp
Chase Environmental Group

Topic:
***Decommissioning of a 1920s-Era Chemistry Lab
Building and Assorted Surprises***
or
What Exactly Were They Doing with That Radium?

Thursday, April 26

4-5 PM	Executive Council Meeting
5-6 PM	Registration & Social Hour
6 PM	Pizza & Salad & Beer & Wine
6:30 PM	Presentation

At the Joseph Henry Room, Jadwin Hall
Washington Road, Princeton University, NJ 08540

\$20/person

Driving directions to Princeton University are available at <http://www.princeton.edu/physics/about/for-visitors/>. Park in Lot 21. Jadwin Hall is about a 5 minute walk from Lot 21. Jadwin Hall is on the western side of and directly adjacent to the Stadium (the Stadium is readily visible from Lot 21). At Jadwin Hall (on the Stadium side of the building), walk up the exterior stairs to the first floor entrance, enter the building and turn right. The Joseph Henry room will be directly in front of you.

RSVP to Rosarito Krampert, NJHPS Executive Secretary, njhps@yahoo.com by **Tuesday, April 24**. You may pay in advance by Paypal at the NJHPS website at <http://hpschapters.org/njhps/paypal.php>. Be sure to indicate in the Comments that you're paying for the April 26 meeting.

NJHPS Executive Council

Sue Dupre, President; Adam Cook, President-Elect; Richard Brack, Treasurer; Mike Drzyzga, Treasurer-Elect; Hasan Halim, Secretary; Frank DiMatteo, Secretary-Elect; Jeremy Krampert, Council; Deborah Hrabinski, Council
