New Jersey Chapter

NJ ASSP Joint Meeting with New Jersey Health Physics Society

February 13, 2020 4pm-8pm

Let's get our Nerd on and find out more about what's out there in the electromagnetic spectrum by immersing ourselves in a captivating evening in the health physics sphere.

Across the Spectrum of Non-Ionizing Hazards, the Lower Energy Exposures!

Presentation by Alejandro Ruiz, MS, CIH, CSP, CHMM, CET, SMS, CHST
Past President of NJ ASSP, College/University Outreach Chair
Rutgers University Associate Director of EHS & University Safety Officer

Rutgers' International Center for Public Health ICPH 225 Warren Street, Newark NJ 07103
