

NCHPS 2022 FALL MEETING ANNOUNCEMENT and REGISTRATION FORM

*Thursday, October 27th &
Friday, October 28th, 2022
Shell Island Resort
Wrightsville Beach,
North Carolina*

Storm Predictions: Fair or Foul Seas Ahead?

The theme of the meeting is Storm Predictions: Fair or Foul Seas Ahead? To follow-up on topics of relevance developed at the Annual National HPS meeting in Spokane, this Fall 2022 meeting speakers will address a variety of operational health physics topics with presenters representing the Federal Government, power utilities, and local university communities and a reprise of 'ask the regulator' with North Carolina Radiation Protection Section representative. In addition to their individual technical or informational presentation, each speaker will be asked to give his or her best prognostication for the three-year professional development outlook with respect to their field or specialty.

Pre-Agenda:

NOTE: In order to get this information out to the membership at large for travel planning purposes, the exact program of speakers could not be included. The program Committee will be sending out a listing of speakers when they are confirmed via the NC HPS listserv to all meeting registrants including vendors. The pre-registration deadline is October 14, 2022. (But don't wait until then to Register!!)

CEC: An application for 4 CECs is expected to be approved based on program length and content for Certified Health Physicists. Other professional organization credit may vary.
