2008 HPS Midyear Meeting and School in Oakland, California

(photo credit: Casper Sun, CHP)

Ralph Thomas (left, University of California, retired) presents scholarship check to Kim Burns (right, Georgia Tech)
Fred Mettler (left, University of New Mexico), G. William Morgan lecturer, receives plaque from Kevin Nelson (right, Health Physics Society President)

Ralph Thomas ((University of California, retired) presents his plenary speech
Vashek Vylet (Jefferson National Accelerator Facility) tries his skill at the Bean-Bag Toss, a game to raise money for the Burton J. Moyer Scholarship Fund

Scott Walker, Accelerator Section Past-President (Los Alamos National Lab)
Takashi Nakamura (Tohoku University, Japan)

Kevin Nelson, Health Physics Society President (left), and Lorraine Marceau-Day (right, Louisiana State University Center for Advanced Microstructures and Devices)
J. Donald Cossairt (Fermi National Accelerator Lab)

Marcia Torres, Accelerator Section Treasurer (Argonne National Lab)
Mike Calvert, webmaster for midyear meeting and professional development school sites (Lawrence Berkeley National Lab)

Carter Ficklen (Jefferson National Accelerator Facility)
J. Donald Cossairt (left, Fermi National Accelerator Lab) and Henry Kahnhauser, Accelerator Section President-Elect (right, Brookhaven National Laboratory)

Kamran Vaziri, Accelerator Section President (right, Fermi National Accelerator Lab), and Nisy Ipe (right, consultant)
James Liu (left, Stanford Linear Accelerator Center) and Scott Walker, Accelerator Section Past-President (right, Los Alamos National Lab)

Scott Walker, Accelerator Section Past-President (left, Los Alamos National Lab), Sandy May (center), and Bob May (right, Jefferson National Accelerator Facility)
Steve Frey (left, Stanford Linear Accelerator Center) and J. Donald Cossairt (red, Fermi National Accelerator Lab)

Nolan Hertel (Georgia Tech University)
Ken Kase (left, Lyncean Technologies) and Qui "Kelly" Riu (right) from China

Dick Toohey, Health Physics Society President-Elect (left), and Martha Dibblee (right, Portland, Oregon)
Ken Kase (Lyncean Technologies)

Takashi Nakamura (Tohoku University, Japan) and Sayed Rokni (Stanford Linear Accelerator Center)
Steve Frey (Stanford Linear Accelerator Center)

Scott Walker, Accelerator Section Past-President (Los Alamos National Lab)
Lorraine Marceau-Day (Louisiana State University Center for Advanced Microstructures and Devices) and Linnea Wahl, Accelerator Section Newsletter Editor (Lawrence Berkeley National Laboratory)

Steve Frey (left, Stanford Linear Accelerator Center) and Henry Kahnhauser, Accelerator Section President-Elect (right, Brookhaven National Laboratory)
Henry Kahnhauser, Accelerator Section President-Elect (seated, Brookhaven National Laboratory), Vashek Vylet (left, Jefferson National Accelerator Facility), Ken Kase (center, Lyncean Technologies), and Joe McDonald (right, Radiation Protection Dosimetry)

Linnea Wahl, Accelerator Section Newsletter Editor (left, Lawrence Berkeley National Lab) and Kim Burns, scholarship winner (right, Georgia Tech University)
