Hello Virginia Health Physics Society Members,

We are happy to report that the VA Chapter of the HPS has been rebooted! We had a great time and great attendance at our Hampton Roads meeting in November. Thanks again to George Kharashvili for providing the jumpstart. We had many new members join the chapter and new leadership was nominated and elected, <http://hpschapters.org/vahps/officers.php3>.

We would like to cordially invite you to two upcoming Virginia Chapter events:
