Rebecca Case rebecca.case@isu.edu

Registered attendees will receive an electronic copy of speaker handouts, refreshments at breaks and lunch.

Attendees may receive CE credits for ABHP re-certification (pending approval by the ABHP).

Call for papers:

Topics may be a completed work or work in progress. The typical time allotted for a presentation is 30 minutes. If more time is needed, please provide the information to assist the chapter symposium committee in their planning. Short abstracts and a presentation title should be submitted by March 29 to Amelia Miller and Rebecca Case. You will be notified shortly after receipt of abstract whether your

presentation has been accepted and final slide presentations should be submitted by April 14 so we can ensure the equipment is working properly.

Tentative Program Agenda:

The President-Elect of the national HPS, Dr. Nolan Hertel, will be in attendance, and will be addressing all chapter members as a program attendee as well as the president-elect. Additionally, students from ISU, CEI, and Porterhouse are cordially invited to attend and we have arranged speakers to discuss additional educational opportunities and upcoming internships at the Idaho National Laboratory.
